The North Branford Family Resource Center was one of the first three centers to open in CT in 1989. Our goal is to be the single point of entry for families who need early childhood education, school-age child-care and family support services. The Program offers a continuum of services that promote strong family practices and lifelong learning. It is through these services that we help support parents in their role as their child's first and most important teacher.

Our Programs and Services include:

- Full time, full day curriculum based Preschool Program for children ages 3-5 years old.
- School Age Enrichment Program in each of our two elementary schools, Totoket Valley and Jerome Harrison. We offer Before School Care at Jerome from 7:00-9:00 am and After School Care from 3:15-6:00 pm. At Totoket Valley Before School Care is offered 7:00-8:15 am and After School Care is 2:30-6:00 pm.
- Kindergarten Care Program for children in half-day kindergarten. This program is offered in the morning and afternoon at Jerome Harrison Elementary School.
- Families-in-Training Program designed around the *Parents as Teachers Model*. This program offers daily playgroup sessions, personal visits by Parent Educator, Parent Group meetings about early childhood development and parenting, as well as, developmental and health screenings for young children and parent workshops.
- Support and training for Family Day Care Providers.
- Resource and Referral.
