

# NORTH BRANFORD BOARD OF EDUCATION

SERIES 8000—CONSTRUCTION/FACILITY DEVELOPMENT

P8120

## Architect Selection

The Board shall work to construct appropriate modern facilities and/or timely renovations to provide the best educational environments possible for all students within fiscal constraints. Members of the Board shall be appointed to the Town's Building Committee, which committee selects an architect to be commissioned for every major building or renovation project initiated by the Board. In selecting an architect, the members of the North Branford Board of Education who are members of the Building Committee shall recommend that the following criteria shall be considered for the retention of an architect:

1. Training and experience including that of partners and associates.
2. Planning ability and promptness.
3. Specification writing, accuracy, and sufficiency of detail.
4. Design, appearance, and utility.
5. Supervision in construction phase of project.
6. Relation with contractors.
7. Experience with government agencies.
8. Knowledge of educational specifications.
