Meeting Procedures

Public Participation at Meetings

All regular and special meetings of the Board shall be open to the public. The Board shall offer time at all meetings for citizens to be heard, because the Board desires to hear the view points of citizens throughout the district. However, Board meetings are conducted for the purpose of carrying on the business of the schools, and therefore are not public meetings but meetings held in public.

Any individual recognized by the Board Chairperson to speak shall give his/her name, address, the group, if any, that is being represented, and the subject to be discussed.

The presentation should be as brief as possible.

As a matter of standard procedure, public comment will be confined to that portion of the agenda reserved for public comment.
