

NORTH BRANFORD BOARD OF EDUCATION

SERIES 7000—BUSINESS AND FINANCE

P7290

GRANTS AND OTHER REVENUE

Consistent with Board goals and objectives to provide the best educational opportunities for all children in the district, the Board encourages the Superintendent of Schools to seek supplementary revenue to state aid and local taxation.

Subsequent to the Board's approval of a program or of its continuation, the Superintendent, or his/her designee, is authorized to execute all required forms for state and federal programs on behalf of the Board.

The Superintendent shall report annually on the status of all state and federal grants and programs, including the financial status of each program with a recommendation to continue, modify, or discontinue each program.
