SERIES 2000: PERSONNEL

P2110

HEALTH EXAMINATIONS

The Superintendent may require a pre-employment medical examination of any prospective employee. The Superintendent may also require a medical examination of any employee whenever there are grounds to believe that the performance of the employee may be adversely affected by illness of any kind or that the health or safety of such employee or of any other members of the school community may be adversely affected by the continued performance of the employee's duties.
