**SERIES 3000 — INSTRUCTION**

**P3005**

## **HOMEWORK**

The North Branford Board of Education recognizes that homework is an integral component of a comprehensive educational program. Therefore, the Board supports developmentally appropriate homework designed to promote quality activities that reinforce and enrich classroom instruction. Homework shall not be used for disciplinary purposes.

Each principal, in consultation with faculty, shall develop a statement of homework procedures consistent with this policy. Each school's statement of homework procedures shall be published for parents and students.
