INSTRUCTIONAL PROGRAM

It is the policy of the North Branford Board of Education to provide a comprehensive high quality instructional program, which strives for success for every student. The Board, the administration and all staff shall collaborate to support and promote a well defined, systematic process for the review, development, implementation and evaluation of the teaching and learning process.

The Board shall provide the resources to support this process, including resources for professional growth and development, which the Board recognizes as essential to the development and implementation of a quality instructional program.

The Superintendent of Schools shall systematically evaluate the instructional program.
