

NORTH BRANFORD BOARD OF EDUCATION

SERIES 5000: ADMINISTRATION

P5100

SITE BASED PLANNING

The Board of Education authorizes the Superintendent of Schools, in cooperation with the school staff, parents, and other interested persons or groups, to develop and implement site based plans in each school building and/or department. The site based plans shall develop annual goals for the purpose of school improvement. Site plans must be consistent with the district's Strategic Plan.

Policy adopted: 5/15/08
