## TUITION FEES

The Board of Education may permit students from other school districts to attend North Branford schools when students can be accommodated in existing classes. If permission is granted, the students or their sending district shall pay a tuition fee to be established annually by the Superintendent. The tuition fee may be adjusted as changes in costs indicate, unless a multiple year agreement to provide educational facilities is entered into with another Board of Education. The Board shall not be responsible for the transportation of a non-resident student to and/or from school and school-sponsored activities.
