## **SCHOOL VOLUNTEERS**

The Board of Education recognizes that volunteers make valuable contributions to our schools. Building administration determines who shall serve as volunteers in their respective schools. If any volunteer will be supervising students without simultaneous supervision by a Board employee, the volunteer shall be fingerprinted by the local police department or the Regional Educational Service Center, at Board expense, prior to undertaking such volunteer responsibilities. The relevant provisions of Board Policy 2010 shall apply as to the procedure and process fingerprinting.
