

North Branford Board of Education Policies

The policies on this website are policies of the Board of Education which were approved on or after May 24, 2001. Policies continue to be reviewed and revised by the Board and this website may not provide a full set of the Board's most current policies; we update the website as we can. However, as of this time, this website may not reflect all of the North Branford Board of Education policies in effect. A complete policy manual is available for review by any member of the public at the Office of the Superintendent as well as each school library. Any questions or requests for policies should be directed to the Office of the Superintendent.
